

Abstract Guideline for submission
International Workshop On Tropical Wetlands:
Innovation in Mapping and Management for Sustainable Agriculture, 2018

Title (Times New Roman, 18pt, bolded, centered)

Author name/s (Times New Roman, 11pt, centered)

Author's affiliation and full address (Times New Roman, 10pt, centered)

Author's telephone, fax and e-mail address (Times New Roman, 10pt, centered)

Abstract:

The body of your abstract begins here. It should be an explicit summary of your presentation that states the problem, the methods, and the major results and conclusions. Do not include scientific or engineering symbols, acronyms, numbers, or lists inside the abstract. It should be single spaced in 9 pt Times New Roman. Authors are invited to submit English abstracts of 300 words. Titles, authors and organizations will not be counted in the 300 word limit. Extended abstracts must be original works by the authors, not be currently under review in the same form by another outlet and not submitted elsewhere prior to the notification date.

The guidelines are written in the format required for the abstract of the paper for the International Workshop on Tropical Wetlands: Innovation in Mapping and Management for Sustainable Agriculture (19-21, October 2018, Banjarmasin, Indonesia). We advise you to download the guidelines as a Microsoft Word document and use it as the template for your abstract because it contains the necessary formats and styles.

The abstracts and submitting abstracts form are to be to Miss Nunik Rachmadiani 20 March to 10 September via e-mail address ksphp.bbsdip@gmail.com . The registered participants are allowed to submit full-length paper at 24 September to 8 October 2018 which will be officially published by the e-Proceeding after peer-review.
